The Ace & TJ Radio Family raised over \$25,000 for Grin Kids Family in need

25 November 2014 – (Charlotte NC) – This morning, The Ace & TJ Show raised over \$25,000 for the Foy's, a Grin Kids family. The Foy's are from Jasper, Alabama and their house tragically burned down on Sunday, November 23rd. They lost everything in the house including food, clothes, and toys. Larry, Darlene, Braxton, and Bristol got out of the house safely and are trying to make arrangements for shelter, food, and clothing.

Ace and TJ's Grin Kids is a 501c3 that takes children that are terminally ill and chronically disabled on a once in a lifetime dream vacation to Disney World every October. Braxton was chosen as a Grin Kid this year and was able to go to on the Ace & TJ's Grin Kids trip. Once Ace & TJ heard about the family's house, they immediately got on the airwaves and asked for any donations from the 'Radio Family'. Within 15 minutes more than \$25,000 was raised for the Foy family.

"At a time when our country is going through so many negative things, this is reaffirmation of the good in people's hearts. -TJ

"It is just another example of how incredible the Ace & TJ Radio Family reacts when others are in need. –Ace
